IBAN – IT 33 D 08431 76140 000001154515 Titolare - ITALO CERULLO –

To confirm, please send a signed copy of this participation form by email to [italocerullo@tiscali.it](mailto:italocerullo@tiscali.it)

### • BASIC (40hrs) 1 WEEK

**Price for Basic Course (€ 200,00+175,00 (from October to June) - (€ 200,00+210,00 (from July to December) )**

### ▪ ADVANCED (80hrs) 2 WEEKS

**Price for Advanced Course (€ 350,00+350,00 (from October to June) - (€ 350,00+420,00 (from July to December) )**

Course hours:

9.00 -13.00 Theory and practice (20hrs Compulsory)

15.00 -19.00 Practical work supervised by the professor (20hrs optional)

**PROGRAMME** : The course will be conducted by Architect, Sculptor and Ceramics Artist, Italo Cerullo; Master of Arts of the Sculpture & Ceramics Department at the Naples School of Art; Graduate of the Faculty of Architecture, University of Florence; Professor of History of Art and coordinator of numerous sculpture and ceramics courses promoted by public and private sector organisations. Lessons will take place in his country villa and gardens at Via Procuzzi, 44 – 84047 Capaccio (Salerno), approximately 800/1000 m from town centre, 3km from the ancient archaeological site at Paestum and 4 km from the coastal beaches. The intensive courses are designed to provide students with a comprehensive understanding of the subject matter, whilst allowing students to visit the local tourist attractions during their free time (please note these visits are not included in the price of the courses) . Trips can include guided tours to the archaeological sites at Paestum and Pompei, the sculpture and statuary museums and studios, the famous ceramics attractions of Vietri and Positano and the rest of the Amalfi Coast. It may be possible to arrange discounts for these visits. Students may wish to use their free time, or to extend their stay beyond the length of the study courses, to enjoy a local beach holiday, to visit the above mentioned archaeological sites, the Amalfi Coast, Positano, Capri, the caves of Castelcivita and Pertosa, Certosa di Padula and the Cilento National Park. Students are advised to make their own transport arrangements.

The Ceramics course comprises of the creation of objects of art - decorative design – transfer technique of design onto a tile, vase or plate – Technique for plaster casting in a simple form – Study of the optimum firing temperature – Technique of printing, collage and enamelling.

The Sculpture course includes: Creation of an object with clay – reproduction of the same object in by plaster cast – Reproduction of the object in wood – Production of an object in steel or stainless steel - Technique of the finishing treatment on wood and metal.

N.B. The objects produced will be the property of the participant.
